## Holiday Traffic Death Toll Well Over 300 Mark

By THE ASSOCIATED PRESS  
Traffic 310  
Drownings 65  
Miscellaneous 40  
Total 415

More than 300 persons lost their lives in traffic accidents across the nation during the two-day Memorial weekend. The traffic toll of dead was a record for the holiday and far exceeded the estimate of 200.

The National Safety Council attributed the record number of traffic deaths largely to extremely heavy travel and to a rash of multiple accidents that swelled the toll rapidly.

"It offers a grim challenge to any one concerned with highway safety to step up the unending efforts to hold down accidents despite mounting travel," a NSC spokesman said. "We can only hope the shock of this awful death toll will be reflected in fewer accidents during the rest of the year."

Other violent deaths — drownings and in miscellaneous types of accidents — also took a heavy toll.

The over-all accident death total for the 44-hour period from 6 p.m. local time Friday to midnight Sunday also topped the toll of 305 for a two-day Memorial holiday period. That mark was set in 1953, when the traffic death toll was 241, the previous high.

The highway death toll also was far ahead of the 262 counted by The Associated Press in a test period survey for a non-holiday weekend of 54 hours. The survey, covering the period from 6 p.m. Friday May 15, to midnight Sunday May 17, also showed 32 drownings and 74 persons killed in miscellaneous types of accidents for an over-all total of 368.

There were several multiple-death auto crashes. In one of the worst, a four-car pile-up on a Pennsylvania Railroad passenger train at a rural crossing near Crown Point, Ind.

The National Safety Council had predicted a traffic death toll of 200. It termed the record total for the two-day holiday "tragic."

The highways were jammed with cars — the council had estimated 46 million for the two-day period — in the first holiday weekend of the season.

Memorial Day in 1958 was on a Friday and in the three-day week-end holiday period auto accident deaths totaled 371. In other violent deaths, 132 persons drowned and 68 died in miscellaneous type accidents for an over-all toll of 591.

## Contest Tossed Out By High Court

By LEON HATCH

LITTLE ROCK (AP) — The Arkansas Supreme Court today threw out a contest of the renomination last year of Leonard Ellis as Garland County Sheriff.

The court in a unanimous opinion said that a complaint filed by unsuccessful candidate Clyde Wilson failed to set out the names of persons he alleged voted illegally for Ellis.

The opinion also said the allegations were indefinite or based on conclusions or irregularities that were not sufficient to void votes.

Ellis, Wilson and Doyle Rowell were opposing candidate for sheriff at the first Democratic primary last July 29. The vote, as recounted by the County Democratic Committee at request of Wilson, showed 6,172 for Ellis, 5,033 for Wilson and 182 for Rowell.

Wilson filed an election contest declaring that because of alleged illegal votes and other irregularities he and not Ellis should be declared the nominee.

## Doctors Declare Gov. Long Will Not Cooperate

GALVESTON, Tex. (AP) — A doctor indicated today that Gov. Earl K. Long of Louisiana refuses to cooperate with hospital authorities in psychiatric treatment.

Dr. John B. Truslow, administrator of John Sealy Hospital here, said, "Every attempt is being made to achieve his cooperation with continuing studies," he would not explain further.

Gov. Long spent a somewhat restless night," Dr. Truslow said. An Air National Guard plane flew the governor here from Baton Rouge, La., Saturday after Long's health broke under the strain of office.

He was flown here after a tantrum — like outbursts before his home state Legislature.

Dr. Truslow, in a medical Bulletin, said, "Until his status is determined, he will continue on supportive treatment." The doctor defined "supportive treatment" as keeping a patient quiet and comfortable — not treatment for a specific ailment.

The Galveston Daily News quoted an unnamed "reliable source" as saying Long had "a couple of violent spells" Sunday and is under the care of two male nurses in a private room.

Members of Long's family and his physician visited him Sunday. Dr. Truslow said "the bronchial condition is clearing up." He had been suffering from that ailment when admitted.

## Countywide Cotton Meet on Wednesday

To recognize and to qualify for cotton classing and market news services and to discuss cotton insects control for 1959 are the purposes of a county cotton meeting Wednesday night at 8 o'clock in the Hempstead county courtroom stated County Agent Oliver L. Adams, this morning.

The Smith Doxey Cotton Classing and market news service has been available to Hempstead county farmers since 1945 through the St. Paul Cotton Improvement Group with Soman Goodlett of Ozan as Group representative. Bonded samplers provided by all cotton gins have made the Green Card program operative to all.

The program has necessary revisions therefore the Wednesday night meeting to put the program into operation this year. Each producer of cotton who desires to be a member will provide the acreage of cotton planted with the acreage of each variety. The Green cards for marketing through the loan or elsewhere would then be available.

The cotton insect control program as recommended by the University of Arkansas Agricultural Extension Service entomologists will be discussed. With the newer insecticides available this season for the first time and the resistance of some weevils the discussion should be of special interest to all producers in advance of their needs.

## 5 Men Killed, 27 Injured in Mine Accident

IRON RIVER, Mich. (AP) — Five men were killed today in a cave-in and explosive fire 2,200 feet underground at the Sherwood iron mine in this Michigan Upper Peninsula mining town.

Another 27 men were rescued, nearly all of them injured. Several were reported in serious condition from burns and sulphur poisoning.

The Iron County Sheriff's office said four of the men were killed in the fire and cave-in. A fifth died in a hospital at nearby Sault Ste. Marie where the injured were taken.

## Edwardes Connected With Klan

TEXARKANA, Ark. (AP) — An attorney here has indicated he is the head of the Assn. of Arkansas Klans.

George T. Edwardes told the Texarkana Gazette in a letter Saturday, "My names the one you wanted. Now print it."

Texarkana post office box was listed on Klan posters which appeared in several areas of Arkansas recently. The posters asked the public to write to the box for more information.

Edwardes, who lost a 1958 bid for prosecutor in Arkansas' 8th Judicial District, said in the letter the Klan had obtained "hundreds of new members" because of the posters.

Last week R. E. Davis of Dallas, Tex., said in a letter to the Gazette that officials of the Assn. of Arkansas Klans had been ousted from the "original Knights of the Ku Klux Klan" and the Arkansas branch was not official. Davis called himself "Imperial Dragon" of the original Klan.

Edwardes said officials of the Arkansas group had not been ejected from the Klan but had disavowed connection with it.

## Two Injured in Separate Accidents Here

Mrs. O. D. Middlebrooks of near Hope was suffering from shock and bruises in a local hospital following an accident this morning at the end of South Main. Her condition is not considered critical.

City Officers Rowe and Shirley reported that a Ritchie Grocery Co. truck driven by Dallon Clark skidded on a curve in a driving rain and crashed into the Middlebrooks' auto. The truck driver escaped injuries.

The auto was demolished and the truck badly damaged, the officers said.

Mrs. Catherine Lamb Evans was painfully injured Saturday when the auto in which she was riding crashed into a bridge guard post on Highway 67. The metal rail on the bridge approach rammed completely through the auto. Mrs. Evans suffered a badly mangled arm. Suffering from shock, Mrs. Evans was taken to the hospital. Roy Evans, was driving when the auto went out of control. A Horn-Donnell ambulance rushed Mrs. Evans to a local hospital.

City Officers Fullerton and Wylie reported an auto driven by Carol Messer, rummed into another stopped at a red light at Third and Hazel St. Saturday. The second auto was driven by B. H. Green. Both vehicles were badly damaged, the officers said.

## Minister Asks Compromise at Little Rock

LITTLE ROCK (AP) — A Baptist minister last night called for a compromise between opposing factions in the Little Rock school integration dispute.

Dr. Dale Cowling, pastor of the Second Baptist Church, said "it would be social chaos to completely integrate our schools overnight."

He said Negro leaders must realize this and "must be willing to see our problem sympathetically so as to reach some basis of agreement on gradual plan of change which will allow enough time for our fears of integration to either be proved or disproved."

Dr. Cowling also said that "on the other hand, we must not be unwilling to see the Negro's problem, also. We must stop the absurdity of labeling every Negro who seeks his rights under the law as a Communist, or worse."

He urged an effort to reach a solution to racial problems on a "Christian middle ground."

Little Rock's four public high schools are closed in the city's integration controversy, which flared in September 1957 when nine Negro students tried to enter Central High School. The Negroes later attended classes under federal troop protection.

The minister said leaders of the National Assn. for the Advancement of Colored People "must be willing to compromise somewhere short of the whole 'pound of flesh' the existing law allows."

He told his congregation that the great social aspect of the integration problem can only be resolved with time.

"We must be willing to make changes, but we must also be willing to do so slowly and prayerfully," Dr. Cowling said.

Another minister, the Rev. Jesse Lee, said in a sermon yesterday that the "token integration plan" devised for Little Rock in 1955 was a scheme to comply with the letter rather than the spirit of the law. Under the plan, integration of the city's schools would be spread over a period of several years.

Higgins said the token plan had backfired and brought a curse on Little Rock.

## Necessity of Act 10 Is Questioned

FAYETTEVILLE, Ark. (AP) — The University of Arkansas Board of Trustees has officially expressed hope that the state legislature "will re-examine the necessity" for Act 10 of 1958.

The controversial act, which requires teachers in state-supported schools to swear to organizational connections over a five-year period, has been attacked by several Little Rock Negro leaders.

A Little Rock Negro teacher has filed suit in federal court at Little Rock testing validity of the law and a companion act, Act 115 of 1959, which bars public agencies from hiring members of the National Assn. for the Advancement of Colored People.

The Board indicated it felt Act 10 was unnecessary since "University policy requires that the administration diligently search the professional record and the qualifications of each prospective employee."

In other action at a meeting Saturday, the board approved a \$675,000 cut in the budget of the University Medical Center at Little Rock. A spokesman said the action would result in the loss of 99 of the center's 337 beds, and put 85 to 95 employees out of jobs.

The board also approved the appointment of Dr. E. M. Crayley as head of the Agricultural Experiment Station. Crayley, who has headed the plant pathology department of the College of Agriculture and Home Economics, succeeds Dr. John White, appointed vice-president for agriculture earlier this year.

## Ozarks May Change Ownership, Operation

CLARKSVILLE, Ark. (AP) — The College of the Ozarks has taken another step toward a change in its ownership and operation.

The school's board of trustees yesterday named committees to complete negotiations on action by the Synod of Oklahoma to transfer ownership and operation from the Synod to the Board of National Missions, United Presbyterian Church, U.S.A. It is anticipated that the switch will become effective Jan. 1, 1960, officials said.

College President Winslow S. Drummond called the change "a significant milestone" in the history of the Ozarks, which has been run by the Oklahoma Synod since 1953.

Drummond said the changeover would increase and strengthen the school's religious program; put it in position to maintain and adequate staff and faculty, and assure financial security.

## West Big Three Asks Russia to Suspend Threats

By JOHN M. HIGHTOWER

GENEVA (AP) — The United States, Britain and France today pressed the Soviet Union in the Big Four conference to suspend its threats against West Berlin and negotiate a "stopgap" settlement to ease tensions over the divided city.

U.S. Secretary of State Christian A. Herter, British Foreign Secretary Selwyn Lloyd and French Foreign Minister Maurice Couve de Murville met with Soviet Foreign Minister Andrei Gromyko at Gromyko's villa in the mountains.

Their session continued secret talks which opened here Friday in an effort to find a formula for averting a military showdown over Berlin and clearing the way to a summit conference.

The West's Big Three still expect the Soviets to agree not to disturb the status of West Berlin despite Premier Nikita Khrushchev's declaration that he won't bargain for a settlement.

The Western delegates at the Big Four foreign ministers conference assume that Khrushchev is still anxious for a summit conference. U.S. Secretary of State Christian A. Herter made it clear to Soviet Foreign Minister Andrei Gromyko that the United States and Britain threaten to West Berlin's lifted President Eisenhower would not attend a summit meeting.

Khrushchev, in a speech in Albania Saturday, said the Western proposal to the conference, for Berlin and German reunification, "does not contain a single element for negotiations."

He also blasted Western demonstrations to make concessions to the Soviets only if the Soviets come up with matching concessions.

The Western ministers nevertheless believe that in order to get agreement on a summit conference, Gromyko must withdraw from the status of Berlin or the pressure on the Western powers to get out of the Communist-ruled city.

The Western delegates expect to get this in the next 10 days or two weeks.

Herter and his colleagues were reported to have told Gromyko in their secret talks that any stopgap deal to end the Berlin crisis must guarantee continued Western military and civilian use of the road, rail and air routes between West Germany and West Berlin.

## Accidents in Arkansas Take Lives of 11

By THE ASSOCIATED PRESS

A grim toll of 11 accidental deaths over the Memorial Day weekend pushed Arkansas' violent death total for the week ended at yesterday to 18.

Traffic mishaps killed eight persons and four drowned.

Yesterday's deaths included two in a head-on collision north of Bald Knob on U.S. Highway 67. Dead is Robert Uiley, 50, of Heber Springs, and Mrs. Mabel Walls, 45, of Shirley, Ind.

State Trooper Gerald Harris said Uiley's car went off the road and then swerved back across the center line, sideswiped a truck and smashed head-on into a station wagon driven by Mrs. Wales' husband, Kenneth, 49.

Wales, his daughter, Sharon Fay, 13, and his son and daughter-in-law, Mr. and Mrs. Ralph Wales, were injured and hospitalized at Seelye.

Uiley was alone and the truck driver was not hurt.

Joan Crawford Says She Is Broke

HOOLYWOOD (AP) — Movie star Joan Crawford says she is broke, the Los Angeles Examiner said today.

Miss Crawford is here to play a small part in a film. She is the widow of Alfred

Steele, chairman of the board of Pepsi-Cola Co., who died of a heart attack several weeks ago.

The Examiner quoted Miss Crawford: "I haven't a sou to my name. Uncle Sam has every penny. Alfred, before his sudden death, thought he was leaving me with plenty, but it wasn't to be that way. It all went for income taxes and debts."

"The company (Pepsi-Cola) has been wonderful to me, and I have agreed to go out on personal appearance tours whenever and wherever they need me."

"I'll take any good (film) part no matter how small. I am hoping to make pictures to work for Al's company, and to keep going."

Miss Crawford's statement came on the heels of a disclosure by Bud Abbott, for the former comedy team of Abbott and Costello, that his fortune had been wiped out by back taxes, penalties and interest.

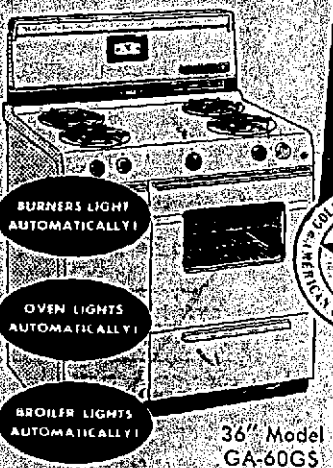

The Arkansas State Bankers Association was organized Oct. 20, 1891.

Dick Williams of Baltimore handled 133 outfield chances without an error in 1958. This year, he is with Kansas City.

## DOROTHY DIX

Happy Wife Shares Secret of Success

DEAR DOROTHY DIX: It saddens me to read about so many unhappy husbands and wives when the secret of married happiness is such a simple one. My husband and I have been married 11 years and are happier than I ever dreamed we would be. Many of our so-called friends make fun of us because we enjoy simple things together. When we were first married we had all sorts of trouble but we worked our problems out, never keeping secrets from each other, confident that each would get complete sympathy and understanding from the other. We've never felt the needs of clubs, evenings away from each other or anything else, hobby or I took it up so we could do it together. For us, being together is our goal, as it

arrival of a daughter on May 29. The little girl, who weighed 7 lbs. and 4 ozs., has been named Julie. The maternal grandparents are Mr. and Mrs. H. E. Benson.

bells ring. That's just the beginning. If two people would realize that fact, marriages would be happier. — Contented Wife

DEAR C.W.: Many other wives and husbands have written of their happiness and urged me to pass out formulas on to unhappy husbands. This I am only too happy to do. Remember the two little bears who sent me the message, too. "Bear and forebear." An unhappy marriage is caused by people who make it a tug-of-war, with the attitude "Me for me, and you for me, too." Think for your later.

DEAR DOROTHY DIX: I'm a 13-year-old girl with many problems. The biggest one is that I can't hold onto a boy. First there were Brinie and Les. Then Phil and Dave. I went steady with each one for a few weeks, then they dropped me. I stopped going with Harold and Eddie because they got too affectionate. Alec is my favorite but he's very basic. He belongs to the 4-H. Would he think I was chasing him if I joined, too? His friend Jim likes me too. Should I encourage him or wait for Alec to pay some attention to me. There have been other boys but most of them lasted just a few days. Don't get the idea that I'm boy crazy. — Alma

DEAR ALMU: Why should I over think such a ridiculous thing. Did you run out of boys—or boys' names. With this record you're well on the way to writing a best-seller. Join the 4-H. Maybe, his activities will take your mind off boys.

DEAR DOROTHY DIX: Just because they last longer, my parents insist that I wear oxford. All my friends wear well-worn, I'm sure you will agree that oxford look simply terrible. I don't mind what I wear during the summer — not too much anyway — but I do dread going back to school in oxford. — Lana

DEAR LANA: Earn some money this summer to get yourself a nice show wardrobe for school. A steady diet of oxford is certainly a dismal prospect. They are practical but practicality can be carried too far.

# Yankees Hot On Weekend, Leave Cellar

By JACK HAND  
Associated Press Sports Writer

Yankees hitters awoke this morning to find the cellar door open. The enemy is not dead. He has escaped from the American League cellar.

The Washington chapter is to blame. They forgot to lock the basement door over the long weekend. Casey Stengel's men swept three in a row and charged into sixth place, blinking in daylight after 11 days in the dungeon.

This is blue Monday for the club members. New York shows definite signs of snapping out of it. They clubbed Washington twice on Saturday, scoring 22 runs and won Sunday's single game 3-0 on Bill Skowron's three-run homer in the ninth and Bob Turley's two-hit pitching.

The Yankees still are four games under .500 but the league is beginning to come back to them. Cleveland, still in first place, is only six games away. The Yanks still have 112 games to play.

Charlie Maxwell did the Indians in with a three-run homer on Jim Perry's first pitch in the ninth for Detroit's 7-4 victory. Jerry Davis came through with his first complete game in the majors, a four-hitter after a wobbly start.

Cleveland held its one-game lead over Chicago because the White Sox were thumped early and late by Kansas City. The A's knocked out Early Wynn while scoring five runs in the second and added four more in the sixth on Preston Ward's grand slam homer for a 9-1 decision.

Baltimore dropped Boston into last place, five percentage points behind Washington, when Hal (Skinny) Brown beat the Red Sox 2-1. Brown staggered through the first two innings and settled down to pitch a four-hitter. He felled Ted Williams, bid for his 2,500th big league hit. Williams went hitless in three official trips.

San Francisco cut Milwaukee's National League lead to 2½ games by topping Chicago 6-3 while the Braves were dividing two with Philadelphia. After Robin Roberts pitched his first complete game since April 22 by throwing a four-hit shutout in his 6-0 opener, Warren Spahn won his 203rd major league game, 2-1 with a four-hitter in the second game.

Los Angeles got 14 strikeouts by Sandy Koufax and Denny McDevitt in dominating St. Louis 7-3. The Cardinals' pitchers fanned nine.

## Ward Takes Speedway, Record Prize

By DALE BURGESS  
Associated Press Sports Writer

INDIANAPOLIS (AP)—Rodger Ward, loaded down with lot from the richest auto race ever run, will go right on competing in the world's most dangerous sport.

Ward and his car owner, Lead-er-Cards, Inc., of Milwaukee, won \$106,850 in the 3rd 500-mile race Saturday. The World War II fighter-pilot's take under the customary contract would be 40 per cent, \$42,740.

That means Ward will be risking his neck largely for the U.S. Treasury the rest of his season—but his pretty brunette wife, Jo, says he probably would race for nothing.

"I'm going to make the rest of the U.S. championship races and possibly some sports car events if I can get a good car," Ward said.

His next race will be the 100-mile at Milwaukee next Sunday.

## Face and Pirates Closing in on Loop Leaders

By JACK HAND  
Associated Press Sports Writer

It has been a year and two days since Ray Face lost a ball game. The Pittsburgh relief ace picked up his seventh victory of 1959 Sunday while the Pirates were closing in on the National League leaders with a double victory over Cincinnati.

Face lost to Milwaukee, May 30, 1958. He won five last year and seven this year for a 12-0 record. During that period he has appeared in 41 ball games.

It was Face's three innings of shutout pitching that helped the Pirates pull out a wild 14-11 second game with Cincinnati after the Pirates had won the opener 6-2.

The Pirates thrust last winter's deal down the throats of the Reds as Smoky Burgess and Don Hoak, traded to Pittsburgh by Cincinnati, each hit three home runs. Bob Skinner contributed a pair, including a grand slammer, in the frantic second game.

While the Pirates continued to move up after their sorry start, both the second-place San Francisco Giants and fourth place Los Angeles Dodgers also closed in on Milwaukee.

Back Chicago 6-3 and the Dodgers back Chicago 5-3 while the Braves were splitting two with the last-place Phils.

At the close of the holiday weekend, the Braves led the Giants by 2½ games, the Pirates by ½ and the Dodgers by 5 games.

Robin Roberts shut out the Brave with four hits, 6-0, in the opener, his first complete game since April 22. It was his 209th major league triumph.

Warren Spahn moved up to tie the year.

Cleveland held its one-game lead over Chicago because the White Sox were thumped early and late by Kansas City. The A's knocked out Early Wynn while scoring five runs in the second and added four more in the sixth on Preston Ward's grand slam homer for a 9-1 decision.

Baltimore dropped Boston into last place, five percentage points behind Washington, when Hal (Skinny) Brown beat the Red Sox 2-1. Brown staggered through the first two innings and settled down to pitch a four-hitter. He felled Ted Williams, bid for his 2,500th big league hit. Williams went hitless in three official trips.

San Francisco cut Milwaukee's National League lead to 2½ games by topping Chicago 6-3 while the Braves were dividing two with Philadelphia. After Robin Roberts pitched his first complete game since April 22 by throwing a four-hit shutout in his 6-0 opener, Warren Spahn won his 203rd major league game, 2-1 with a four-hitter in the second game.

Hall of Famer Carl Hubbell with 233 National League victories by throwing a four-hitter in the Braves while winning 2-1.

In the American League, the New York Yankees finally got out of the cellar after an 11-day stay by beating Washington 3-0 on Bob Turley's two-hitter and Bill Skowron's three-run homer with two outs in the ninth. The Yanks moved into sixth ahead of Washington and Boston, which dropped to eighth while bowing to Baltimore's Hal Brown 3-1.

Cleveland's lead remained intact at one full game because both the Indians and the runner-up Chicago White Sox lost. Charlie Maxwell's three-run homer in the ninth gave Detroit a 7-4 edge over Cleveland. Kansas City knocked out Early Wynn in a five-run second inning on the way to a 9-1 romp.

In contrast to the homer-packed games at Cincinnati, strikeout pitching predominated in California. Johnny Antonelli struck out 11 although he needed relief help from Stu Miller when the Cubs started to kick up in the ninth. Two Dodger pitchers, Sandy Koufax and Danny McDevitt, whiffed 14 Cardinals and St. Louis pitchers turned in nine strikeouts. The two-club total of 23 tied a National League record.

Roberts bested Lew Burdette in the first game at Milwaukee where 28,890, largest crowd since County Stadium since opening day, saw the two active NL pitchers with the most victories—Roberts and Spahn. Spahn got all the help he needed when Wes Covington hit a two-run homer off Ray Semproch in the first. The lone Phil run off Spahn was a pinch homer by Gene Freese, his fifth of the year.

## Long Lens Catches Expressions of Little League Players as CBC Beats Coleman 10-0

THE EDITOR TOOK his "Big Bertha" telephoto lens out to K. Park while the daylight held Friday evening and photographed some Little League faces. It was the first game, shortly after 6 p. m., and the CBC team, managed by Roy Taylor, downed the Coleman Dairy outfit, Bob White, manager, 10 to 0.

Here are the closeups by the Zeiss Ikon Sennar lens:

TOP PHOTO—Ritchie McDowell, CBC catcher, falls away from a "duster" that has just landed in the mitt of the Coleman receiver. In the background is Buddy Jordan, CBC shortstop.

MIDDLE LEFT—Classic batter's stance is shown by Jimmy Whitten, Coleman rightfielder.

MIDDLE RIGHT—Quizzical look on face of Monty Malone, Coleman catcher, is explained by ball at left edge of picture—which Malone has missed.

BOTTOM LEFT—Giving his all for an earned strike is Ronnie Norvell, CBC centerfielder. In background is Bobby McGill, CBC outfielder.

TODAY'S SUBJECTS are the batters. Later The Editor will try for closeups of pitchers and other player positions with the 4-x telephoto lens for which Ned Williams made a missing mechanical part the other day.
